Between Yellowstone and Glacier National Parks, discover the elegance of the Old West.
Helena's streets were literally paved with gold, as miners extracted what today would be \$3.6 billion in gold from the city's main street. This great wealth produced the opulent Victorian homes of the mansion district, 55 historic downtown buildings and more. Today, nature's golden bounty of abundant wildlife, scenic mountains and sun-filled recreation also awaits you.

MONTANA AGTOURS

VISIT WORKING FARMS AND RANCHES FOR A FIRST-HAND LOOK AT MONTANA'S AGRICULTURAL COMMUNITY

MONTANA'S scenic beauty invites travelers from all over the world to visit the treasure state. However, the economic backbone of Montana is agriculture, still its largest industry. Montana ranks second in the nation in agricultural production acreage, and we invite you to visit the working farms and ranches where it all happens. Visit sheep, cattle, and horse ranches, and tour the breeding, feeding and processing facilities. Learn about producing the world's finest wheat, visit a dairy production or check out the honey production at an apiary. Individuals, families, and groups are all welcome. Prices will vary according to the tour and lodging/meal arrangement.

DAY TOURS-

While traveling through Montana, stop at a working farm or ranch for the afternoon to see how it is run. View farm/ranch operations on guided 1-4 hour tours. Several farms/ranches may provide a barbecue or picnic dinner.

WORKING FARM/RANCH WITH BED & BREAKFAST—

Stay overnight at a real farm or ranch, and wake up to a home-cooked meal, Montana style. Participate in daily activities such as repairing a fence, feeding a small lamb or calf, or collecting chicken eggs. Then, take a guided tour of the whole operation.

EXTENDED FARM/RANCH STAY-

WACON TRAIN ADVENTURES DVERNIGHT

Similar to the bed & breakfast experience, extended stays allow you to make a vacation out of your AgTour. Additional activities may include small cattle drives and more extensive ranch chores, along with outdoor activities such as fishing, hiking, camping, horseback riding, and mountain biking. Local attractions may include rodeos, fairs, museums, and theaters.

EXPLORING MONTANA— SIX EXCITING CHOICES!

pportunities for recreation abound under the Big Sky twelve months a year—camping, skiing, fishing, water sports, hiking—and much more! You'll find information about your favorite form of recreation on the following pages. For your convenience, Montana is organized into six vacation countries, each with its own special personality.

GLACIER COUNTRY

Glacier Country is Montana's spectacular northwest corner, a dazzling mixture of wildlife and wilderness, sparkling lakes and lush pine forests. Explore the soaring beauty of Glacier National Park, play nationally acclaimed golf courses with towering mountains as a backdrop, enjoy the solitude of a rustic backcountry cabin and discover rivers that are perfect for fishing and rafting.

GOLD WEST COUNTRY

Gold West Country is Montana's colorful southwest corner, a beautiful region of lofty mountains and broad valleys, restored goldmining camps and prized trout streams. Relive the past on a walk through a historic Indian battlefield, hike backcountry trails, and cast a line into fabled rivers that beckon trout fishermen from around the world.

RUSSELL COUNTRY

Russell Country is north-central Montana as the famed western artist Charles M.
Russell loved it, a dramatic expanse of land and sky. Float the Wild and Scenic Missouri River, follow the trail of Lewis and Clark, observe a huge variety of wildlife in a wild, natural setting, and explore mountain ranges where the Rockies meet the Great Plains.

YELLOWSTONE COUNTRY

Yellowstone Country is a magnificent mountain paradise in south-central Montana, an unforgettable land of wildlife and majestic peaks, scenic drives and blueribbon trout streams. Visit Yellowstone National Park, stay at historic dude ranches, or challenge yourself with a trek through a pristine wilderness area.

MISSOURI RIVER COUNTRY

Missouri River Country is Montana's expansive northeast corner, a fascinating land of high plains and badlands, vast wheat ranches and the mighty Missouri. Visit a million-acre wildlife refuge and watch thousands of waterfowl take to the Big Sky from prairie ponds. Launch a boat on immense Fort Peck Lake, one of the nation's best walleye fisheries.

CUSTER COUNTRY

Custer Country is Montana's southeastern corner, a historic landscape of Indian reservations and meandering rivers, rolling hills and rugged canyons. Tour the grassy hilltop that was the site of the Battle of the Little Bighorn. Fish for trout, walleye, and small-mouth bass in some of Montana's finest lakes and streams.

All Montana phone numbers are reached by area code 406.

BICYCLING

Bring your bike to Montana! Bicycling is permitted on all highways and roadways in the state, except within designated wilderness areas.

Federal lands provide thousands of miles of trails open to bikes. It's a great way to see the backcountry. In addition, the Rails to Trails project is in full swing in Montana. This project to convert old train routes to bike paths continues to grow, with more trails being completed all the time.

Information on Rails to Trails and other recommended roads and trails can be obtained from district offices of the Forest Service, Bureau of Land Management, city departments of parks and recreation, the State Trails Coordinator at Fish, Wildlife & Parks and from Bikecentennial, a nonprofit membersupported service organization for recreational bicyclists.

For information about road conditions, bicyclists should contact the Montana Department of Transportation.

Bikers are reminded to always wear their helmets and to obey all laws, rules and regulations.

See regional section introductions for more about bicycling.

CABÍN RENTALS

For those who seek the solitude of the backcountry, the U.S.D.A. Forest Service offers a few rustic cabins and lookouts for rent on a first-come, first-served basis. Prices range from \$15 to \$30. Cabins are furnished with the bare basics—table, chairs, woodstove and bunks. Cooking utensils, electricity and indoor plumbing are generally not available. To obtain a cabin directory, write or call the U.S.D.A. Forest Service, Northern Region Office.

CAMPING

Wide-open Montana has plenty of great camping. From campgrounds with swimming pools, playgrounds and showers to primitive areas with very limited facilities, there's a camping experience to please each Montana visitor. Many public campgrounds charge no fee. The others charge between \$4 and \$14. Fees charged at private campgrounds vary widely.

Most of the designated public campgrounds are managed by the U.S.D.A. Forest Service; Fish, Wildlife & Parks; the Bureau of Land Management; the Bureau of Reclamation or the Army Corps of Engineers. (Some national forest campgrounds take reservations. Contact the National Recreation Reservation System 800-283-CAMP.) In addition, visitors can camp and picnic almost anywhere in the national forests of Montana.

Front-country camping in the national parks is in designated campgrounds only and is subject to separate rules, fees and regulations.

See individual countries for more on camping and for each region's comprehensive lists of campgrounds.

FISHING

Montana is famous for its abundance of fish and variety of fish species, as well as the beauty of its rivers, lakes and streams. Whether fishing for wild trout on one of Montana's "blue ribbon" rivers and streams, trolling the depths of Flathead Lake for lake trout, or working submerged cover in Fort Peck Reservoir to hook tackle-testing walleye, fishing in Montana is superior.

Nonresidents have two options for purchasing fishing licenses. A license for March 1 through the following February is \$45 in 1994. A consecutive two-day license is \$10. A \$5 conservation licence

is a prerequisite for each.

Residents must purchase a conservation license (\$4) and a fishing license (\$13). Residents 12 to 14 years of age or 62 or older need only a conservation license. Residents with disabilities who have been certified by Montana Fish, Wildlife & Parks, need only a conservation license. Residents younger than 12 are not required to have a license. Regulations are outlined in the Montana Fishing Regulations available through visiting any Department of Fish, Wildlife & Parks office or licensing agent.

Yellowstone National Park requires anglers to obtain a free permit and fishing regulations available at ranger stations and visitor centers throughout the park. Although Glacier National Park does not require a permit, they strongly urge those planning to fish to acquire and read park fishing regulations available from ranger stations and visitor centers throughout the park.

Friendly, knowledgeable fishing guides can make your fishing trip the best ever. Outfitters are listed in the Outfitters and Guides sections of each region.

Anglers should look for brown, fishing access signs along the roads and highways. These signs designate public access to rivers, streams

and lakes for fishing and picnicking.

Montana's Indian reservations offer excellent fishing. Visitors who want to fish on a reservation should contact tribal offices for regulations.

Contact Travel Montana to obtain a Montana Fishing Guide, including maps, fish species location charts and insider fishing tips.

GHOST TOWNS

They are the remnants of the gold rush, towns that sprung up practically overnight and then were abandoned as quickly. Montana's many ghost towns range from rustic, yet well-preserved historical sites, to renovated towns with lodging, restaurants and entertainment. For a brochure about Montana ghost towns, call Travel Montana.

HIKING

With more than 25 million acres of national forests and public lands, there are thousands of miles of spectacular hiking trails to suit first-timers and veterans alike. Specific information about trails can be obtained from topographical maps and hiking guides ordered through bookstores.

See regional sections for more specific information about hiking.

HUNTING

Information on Montana's impressive array of hunting opportunities, as well as hunting rules, regulations and licensing criteria, is available from all offices of the Department of Fish, Wildlife & Parks and from more than 400 licensing agents across the state.

Nonresidents may hunt elk only by buying a nonresident Big Game Combination License, which includes a conservation, elk and deer "A" license, and authorizes upland game bird hunting, and fishing. The deadline to apply for the combination license is March 15. The deadline to apply for special licenses and permits for other big game species is June 1.

Residents may purchase a Sportsman's License, which includes a conservation, deer "A", elk, and black bear license and

authorizes upland game bird hunting, and fishing. Individual elk and deer licenses are also available for residents, as are upland bird hunting licenses and waterfowl stamps. Licenses for most other game may be obtained by special drawing, only.

Regulations and fee schedules are available from all Fish, Wildlife & Parks offices and licensing agents.

Visitors who are interested in hunting on Indian reservations should contact the reservation tribal offices for regulations.

See regional sections for more information about hunting.

INDIAN RESERVATIONS

The natural resources of Indian Reservations are considered premier attractions. Visitors should be aware of tribal management practices that exist to protect the environment. Tribal offices should be contacted for regulations concerning recreation.

For a brochure including reservation history, protocol, points of interest and events, contact Travel Montana.

MOTORCYCLES AND ALL-TERRAIN VEHICLES

Forest Service and BLM lands provide trail riding opportunities for off-highway vehicles (OHV). For trail information, contact the Forest Service office or BLM office closest to the area where you plan to use your OHV.

All OHVs used for recreation on public lands must be registered and display a current OHV decal. A nonresident using an OHV that is not registered in a nonresident's home state must purchase a nonresident temporary-use permit.

Permits and regulations are available from any Fish, Wildlife & Parks office.

NATIONAL PARKS

Montana is home to Glacier National Park and to part of Yellowstone National Park. Three of the entrances to Yellowstone are in Montana—West Yellowstone, Gardiner and Cooke City. Main entrances to Glacier are at St. Mary and at West Glacier. Other entrances are Many Glacier, Two Medicine, Camas Creek and Polebridge. A pass good for seven consecutive days of entry into Glacier National Park is \$5 per vehicle. A seven non-consecutive day pass, valid for one year from the date of issue, is \$15.

A seven-day combination pass to Yellowstone and to Grand Teton National Park in Wyoming is \$10.

A Golden Eagle pass permitting entry into all national parks in the United States is \$25, valid for one year from the date of issue. Golden Age passes for persons 62 and older are available for a fee and Golden Access passes for disabled persons are free.

ROCKHOUNDING

Montana has fascinating opportunities for all types of rockhounds. Minerals are here in abundance. There is a rich fossil history, with widespread evidence of dinosaurs. For more information about rockhounding, contact Travel Montana for a brochure.

SKIING

Montana boasts fourteen downhill ski areas, ranging from world-class destination resorts to classic day-use areas that make you feel just like family.

Montana is also a cross-country skier's paradise with 3,700 miles of groomed trails and a state full of backcountry skiing. The Montana Winter Guide, available from Travel Montana, offers all the details on downhill, cross-country skiing, and winter events.

SNOWMOBILING

The word is out! Great snow and great trails are the reasons snowmobiling in Montana continues to grow in popularity each year. Strong, active clubs keep busy grooming hundreds of miles of trails all winter and planning lots of events. Snowmobiles on public land must be registered and display a decal. Call Travel Montana to obtain a Snowmobiler's Guide to Montana.

STATE PARKS

Montana's state parks are outdoor recreation centers for the state. There are sites smaller than an acre to parks covering many square miles and offering the gamut of recreational activities, including camping, hiking, water sports, wildlife watching and fishing. While entrance to many parks is free, a fee is charged at developed facilities ranging from .50 per person to \$3.00 per vehicle. State park passports, which allow unlimited access to state parks for one year are \$15, or \$12 if purchased between November 30 and February 14. A second pass can be purchased for halfprice. The passport does not cover camping fees. The map in the front of this guide shows the locations of Montana's state parks.

TRAIL RIDING

Montana is horse country. Visitors may even participate in a real cattle drive or wagon train adventure! (See page 11.)
Each Montana country has outfitters who offer horseback recreation. See the Outfitters and Guides section of each regional section for names of outfitters offering opportunities for trail riding.

WATCHABLE WILDLIFE

A pair of binoculars will come in handy as you discover the pleasure of one of Montana's most popular pastimes—

wildlife watching. Elk, deer and antelope roam freely across open plains and prairies. Hundreds of different bird species, including bald eagles, hawks, and great blue herons are frequently spotted. Montana is home to bison, mountain goats, bighorn sheep and the last remaining grizzly bear population in the lower 48 states. Look for the brown and white signs depicting binoculars as you travel. These point the way to designated wildlife viewing sites.

A tip from the experts: the best time to see wildlife is right at dawn, and, second best, at dusk.

WATER SPORTS

Watch eagles soar overhead as you float through painted canyons, feel the warmth of the Montana sun when you sail over the wide blue expanse of the largest freshwater lake west of the Mississippi, take a trip back in time paddling a canoe along the route taken by Lewis and Clark. These experiences, plus so many others, like windsurfing, power boating and whitewater rafting are bound to be highlights of your Montana adventure. See the Outfitters and Guides section of each country for more information about getting involved in these activities.

Some regulations to keep in mind if you plan to boat are that all vessels must have a Coast Guard-approved personal flotation device for each person on board. Children under 12 must wear a life jacket

while on board a boat in motion.

Motorboat operators 13 and 14 years of age must have proof of completing an approved boating education course in order to operate a motorboat greater than 10 horsepower without an adult present. Boat operators 12 years of age and younger must be accompanied by an adult. Boating regulations and equipment requirements are outlined in the current Montana Boating Laws and Rules, available by visiting any Fish, Wildlife & Parks office.

See regional sections for more information on water sports.

BICYCLING

Rail trails in Helena (Centennial Park-Spring Meadow 3-mile trail) and in Butte (Butte-Anaconda Heritage Trail) are freewheeling ways to sample the local flavor of Montana.

To get a great view of the expansive Deer Lodge Valley, bicyclists can go on a loop tour that begins in the town of Deer Lodge.

Grasshopper Valley also offers inspiring views and many interesting trails.

BUREAU OF LAND MANAGEMENT

(Recreational opportunities for hunting, fishing and camping)

Butte District Office, 106 N. Parkmont, Box 3388, Butte 59702 (494-5059)

CAMPING

Lost Creek State Park, with scenic Lost Creek Falls, is a recommended camping spot near Anaconda.

At Bannack State Park in Grasshopper Valley, the campground is located near Bannack, a fascinating ghost town.

Skidway Campground, near Townsend is on a lovely stretch of the Missouri River and offers easy access from U.S. 287. Lewis & Clark Caverns State Park has three cabins, plus campsites and shower facilities.

DISABLED ACCESS

Just north of Butte is the Sheepshead Mountain Recreation Area, designed for easy access by young, elderly or disabled persons. The 156 acres of the Sheepshead Mountain Recreation Area have handicapped-accessible picnic areas and five miles of paved trails that lead to Maney Lake with a wheelchair-accessible fishing pier.

FISHING

The world-renowned Madison, Big Hole, Missouri, Beaverhead and Jefferson rivers head the list of legendary Gold West trout "streams." Brown trout, rainbow trout, brook trout and mountain whitefish thrive in Gold West rivers and creeks.

Georgetown Lake Recreation Area is a popular spot for ice fishing, as is Canyon Ferry Reservoir near Helena.

Homestake Pass, Pipestone Pass and Mount Haggin are popular cross-country systems, each with trails for all skill levels.

STATE PARKS

YELLOWSTONE COUNTRY

Pellowstone Country is a mountain paradise. Majestic peaks, watchable wildlife, whitewater, and blue-ribbon trout streams make this country a recreation feast. It's also the gateway to Yellowstone National Park, the nation's first and largest national park. For more information about Yellowstone Country, call 800-736-5276 or 446-1005.

BICYCLING

A five-mile rail trail in the Bozeman area (Gallagator) is a great way to see part of the scenic Gallatin Valley.

A recommended intermediate trail is the 12-mile stretch along the Continental Divide, between Reynolds Pass and Red Rock Pass.

CAMPING

Yellowstone National Park has more than 1,800 campground campsites. There are many other campgrounds to choose from, as well. Among these are Bakers Hole, conveniently located near Yellowstone Park, and Missouri Headwaters where Lewis & Clark discovered the Jefferson, Madison and Gallatin rivers joining to form the Missouri.

DISABLED ACCESS

Missouri Headwaters State Park has accessible camping and some challenged trails.

Greycliff Prairie Dog Town, near Big Timber, provides an opportunity to see the small creatures from the road. The area can also provide a challenged experience.

Other accessible, recommended sites are Pictograph Cave and Chief Plenty Coups Monument.

FISH, WILDLIFE & PARKS

Fish, Wildlife & Parks Region 3, 1400 S. 19th, Bozeman, MT 59715 (994-4042) or

Region 5, 2300 Lake Elmo Dr., Billings, MT 59105, (252-4654).

FISHING

Two of the nation's best-known blueribbon trout "streams" make Yellowstone Country a part of Montana that serious anglers will not want to miss. The incredible Yellowstone and the Gallatin rivers are trout-producing legends. Brown trout, cutthroats and rainbows thrive in these unspoiled waters.

For a real backcountry Montana fishing experience, anglers should plan a trip to the Beartooth Plateau. More than 400 high-country trout-filled lakes are scattered amid rugged wilderness.

GOLFING

- Big Sky-Big Sky Golf Course 995-4706
- Big Timber-Overland Golf Course 932-4297
- Bozeman-Cottonwood Hills Golf Club 587-1119, Riverside Country Club 586-2251 Valley View Golf Course 586-2145
- Columbus-Stillwater Golf Course 322-4298
- Livingston-Livingston Country Club 222-1031
- Red Lodge-Beartooth Elks Golf & Country Club 446-1812, Red Lodge Golf Course 446-3344
- Three Forks-Headwaters Public Golf Course 285-3700

HIKING

Yellowstone National Park has over 1,000 miles of hiking trails ranging from short and easy to long and challenging. The Spanish Peaks near Bozeman and the Crazy Mountains are both worthwhile day hiking or backpacking destinations. They feature alpine splendor at its finest. Another special backcountry experience is a trek into the Absaroka-Beartooth Wilderness.

HUNTING

Hunting in Yellowstone Country is an experience of extremes. From antelope-filled prairie grasslands north of Big Timber to the elk and moose-inhabited forests just

north of Yellowstone National Park, Yellowstone Country is an outstanding experience for big game hunters.

NATIONAL FORESTS

Gallatin National Forest, Federal Building 10 E. Babcock, P.O. Box 130, Bozeman, MT 59771 (587-6701)

Custer National Forest, 2602 First Ave. N., P.O. Box 2556, Billings, MT 59103 (657-6361)

NATIONAL PARKS

Part of Yellowstone, as well as three of the park's entrances are located in Montana.

SKIING

Yellowstone Country downhill ski areas are Big Sky (446-2610), Bridger Bowl (587-2111) and Red Lodge Mountain (446-2610).

Excellent conditions have made the West Yellowstone area a perennial training site for world-class Nordic ski teams. Yellowstone National Park, the Gallatin National Forest and the Absaroka-Beartooth Wilderness are also standouts in this cross-country utopia. There are more groomed and backcountry opportunities at the Wade Lake and Cliff Lake trail systems.

STATE PARKS

Yellowstone Country state parks include Cooney Reservoir (445-2326-summer) (252-4654-winter), Greycliff Prairie Dog Town (994-4042), Madison Buffalo Jump (994-4042), Missouri Headwaters (994-4042) and Natural Bridge (252-4654).

WATER SPORTS

Cooney Reservoir, near Absarokee, is the most popular recreation area serving south-central Montana. Hebgen Lake, near West Yellowstone, is also a refreshing place to cool off in Yellowstone Country.

Whitewater rafting on the Yellowstone River is a thrill-a-second for the whole family. (See Outlitters and Guides section for whitewater rafting services.)

MISSOURI RIVER COUNTRY

love the relaxed, friendly feel of Missouri
River Country. This is the land of high plains
and badlands, vast ranches fed by the
Missouri River, and flocks of waterfowl
dotting the wide blue sky. Missouri River
Country is also a great place to spread your
own wings and enjoy abundant recreational
opportunities. For more information about
Missouri River Country, call 653-3600.

BICYCLING

Wide-open spaces promise ample bicycling possibilities. There are miles of scenic roadway around Fort Peck Lake.

Wildlife watching bicyclists may catch glimpses of deer, antelope, grouse and, possibly, a prairie falcon, while pedaling the fascinating badlands of Missouri River Country.

CAMPING

Fort Peck Recreation Area features several campgrounds, including the Rock Creek Marina, Hell Creek Recreation Area and marina and the Crooked Creek Recreation Area and Musselshell Marina.

DISABLED ACCESS

The West End Campground and marina and the Downstream Recreation Area offer barrier-free camping and boating on Fort Peck Lake.

FISH, WILDLIFE & PARKS

Fish, Wildlife & Parks Region 6, Rural Route 1-4210, Glasgow, MT 59230 (228-9347)

FISHING

Quarter-of-a-million-acre Fort Peck Lake is full of warm- and cool-water fish species. The reservoir stretches for 135 miles through the Missouri Breaks. One of the nation's best walleye fisheries, Fort Peck Lake also is home to numerous sauger, lake trout, northern pike, channel catfish, smallmouth bass, yellow perch and the prehistoric paddlefish.

GOLFING

- Glasgow-Sunnyside Golf Club 228-9519
- Malta-Marian Hills Country Club 654-1648
- Plentywood-Plentywood Golf Club 765-2532
- Saco-Sleeping Buffalo Resort 527-3370
- Scobey-Scobey Golf Club 487-5322
- Sidney-Sidney Country Club 482-1894
- Wolf Point-Airport Golf Club 653-2161

HIKING

The outstanding opportunities for cross-country hiking in Missouri River Country are some of the best kept secrets in Montana. This spectacular prairie badlands has some of the largest expanses of roadless areas of the Great Plains. Hikers who trek the Bitter Creek Badlands, southwest of Opheim may be rewarded with the dramatic beauty of a Missouri River Country sunset.

HUNTING

The rugged Missouri Breaks country furnishes pheasants, sage grouse and wild geese for the bird hunter. Those seeking larger game will find antelope and deer in abundance here.

STATE PARKS

Missouri River Country's state park, Hell Creek, is on the Hell Creek arm of Fort Peck Lake. It provides facilities for most water sports, as well as excellent walleye fishing. It's also a launch point to the Missouri Breaks (232-4365).

WATER SPORTS

The upper Missouri River and the rough terrain that surrounds it, called the Missouri Breaks, has changed very little since the Lewis and Clark Expedition first explored the "Mighty Mo" in 1805. Below Fort Peck Reservoir the Breaks country begins to gently merge with woodlands. Those who crave solitude will find it here, along with a variety of wildlife.

Fort Peck Lake, formed by the largest hydraulically filled dam in the world, offers 1,500 miles of shoreline and enough water for all water sport lovers!

WILDLIFE REFUGES

Three national wildlife refuges in Missouri River Country offer select outdoor experiences. Bowdoin National Wildlife Refuge, east of Malta, lies in the central flyway of a great waterfowl migration corridor extending from Canada to Mexico. Massive flocks can be seen in early fall and late spring. (645-2863)

Charles M. Russell National Wildlife Refuge extends up the Missouri River from Fort Peck Dam and contains more than a million acres. It includes native prairies, forested coulees, river bottoms and badlands that are habitat for deer, grouse, prairie dogs, pronghorn antelope and many varieties of hawks and eagles. The Russell refuge also provides an exceptional auto tour. (538-8706)

Medicine Lake National Wildlise Refuge comprises 32,000 acres of glaciated rolling plains and is home to herons, sandhill cranes, grebes, pronghorn antelope and deer. (789-2305) ▼

(Recreational opportunities for hunting, fishing, and camping)

Miles City District Office, Box 940, Miles City, MT 59301 (232-4331)

CAMPING

The stunning Bighorn Canyon Recreation Area with its dramatic red cliffs, tree-shaded creeks and rolling, wildflower-blanketed hills is a special camping experience.

About 15 miles northeast of Ashland is rustic Whitetail Cabin, built in 1935, and listed on the National Register of Historic Places. The cabin can be rented through Custer National Forest.

CROSS-COUNTRY SKIING

Recommended is Camps Pass, 18 miles east of Ashland off MT 212, featuring seven miles of trail rated easy to difficult.

DISABLED ACCESS

Tusler Recreation Site, seven miles east of Miles City, has been designed as a barrier-free day use area.

At Makoshika State Park, in Glendive, there are many accessible places to view the haunting wind-carved rocks that have formed on these plains where dinosaurs once roamed.

FISH, WILDLIFE & PARKS

Fish, Wildlife & Parks-Region 5, 2300 Lake Elmo Dr., Billings, MT 59105 (252-4654), Region 7, Rural Route 1, Box 2004 Miles City, MT 59301 (232-4365)

FISHING

The Bighorn River below Yellowtail Dam, in sharp contrast to the dominant warmwater fisheries of eastern Montana, boasts one of the world's best brown and rainbow trout fisheries.

Custer Country offers fishing variety including the Yellowstone Intake Diversion Dam where paddlefishing thrives. It's a new challenge for anglers interested in snagging one of these huge prehistoric fish.

GOLFING

HIKING

The fascinating shapes of the pinnacles and spires of Makoshika make this state park a unique experience.

The Bighorn Canyon National Recreation Area is also a rewarding place to explore. Birders here in winter will want to visit the Yellowtail Dam Afterbay. The water seldom freezes, and as many as 47 bird species have been recorded at one time.

HUNTING

Custer Country offers a smorgasbord of opportunities to delight even the most well-traveled hunter. Here, among a rugged landscape cut by picturesque cottonwood-lined creek bottoms and checkered by agricultural lands those hunting for antelope, white-tailed deer, mule deer, wild turkeys and sage grouse will find a true North American bonanza. Bottomlands along the lower Yellowstone River offer some of the finest ring-necked pheasant hunting in the state.

NATIONAL FORESTS

Custer National Forest, 2602 1st Ave. N., P.O. Box 2556, Billings, MT 59103 (657-6361)
